

The 143rd  
Association of Research Libraries

# Membership Meeting

## PRESERVATION OF RESEARCH LIBRARY MATERIALS COMMITTEE

WEDNESDAY, OCTOBER 15, 2003  
8:30-11:30 A.M.  
DUPONT ROOM

### Agenda Highlights:

Convened by Bill Gosling, University of Michigan for Nancy Gwinn, Smithsonian Institution, Chair

- Digitization as a Preservation Reformatting Strategy

Bill Gosling and Martin Runkle will lead the Committee in a discussion of a white paper outlining what pieces would need to be in place to develop community acceptance of digitization as a viable preservation reformatting strategy.

- Distributed Print Repositories

Bernie Reilly will report on a July CRL meeting focusing on planning for how the nation's libraries can build upon existing regional and national efforts to optimize management of knowledge resources in printed form.

- Preserving Photographic Images in the Digitization Process

Evelyn Frangakis, National Agricultural Library and Visiting Program Officer, will report on a project that she and Jill Thomas, Boston College and Visiting Program Officer, are undertaking to develop a guide to help libraries integrate preservation and digitization of images.

- Brief Updates on:

- o Sound Savings Symposium held in July

- o CLIR Audio Survey

- o LC National Digital Information Infrastructure Preservation Program
