Job/Residency/Internship Listings

Below are current job, residency, and internship opportunities submitted by academic and research libraries and related institutions.

Newest job postings are at the top of the list. Sort the announcements by library, institution, state/province, application deadline, or date submitted by clicking the corresponding label. Or use the search fields if you are looking for a specific position, location, or job type.

Job announcements appear on this site the morning after they are submitted. Announcements disappear when the application deadline has passed.
