

Charge of Advisory Group

The **Program Advisory Group** is composed of all chairs of the enabling capacity committees, of the ARL Academy Advisory Group, and the Innovation Lab. The Executive Director chairs the group given his/her responsibility for developing and implementing the program strategic plan. The Advisory Group reports to the Board as it is the strategy decision-maker.

The Advisory Group is charged with:

- Coordinating strategic objectives and goals development and implementation in alignment with the approved strategic direction,
- Supporting each other in their committee and advisory group chair work, particularly where areas of shared interests exist, and in vice-chair engagement,
- Collaborating in reviewing and reporting progress to the Board and to the members, and
- Advising the Board on program investments through the Venture Fund.
